

# HydroSun Reflectors

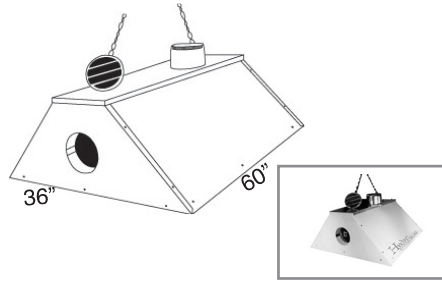

## Closed 'M' Large Horizontal Reflector

- ▶ Anodized white aluminum with chrome hammertone 'M' insert
- ▶ Functional and attractive
- ▶ Used with a 1000 watt horizontal oriented lamp
- ▶ High intensity coverage over approximately 25 sq. ft.
- ▶ Closed ends cover view of lamp
- ▶ All light is directed downward
- ▶ Socket assembly and cord included

.....\$90.00

## Custom Air-Cooled Reflector

- ▶ Large 3' by 5' size
- ▶ Suitable for 2 - 1000 watt lamps
- ▶ Anodized white aluminum
- ▶ Tempered glass shield and galvanized take-offs for 4" exhaust hose
- ▶ Socket assembly and 12' cord included
- ▶ Allows closer proximity to plants
- ▶ Designed for super high light intensity over a 4' x 8' area without heat

.....\$450.00

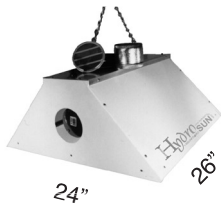

## Hydrosun Integral Reflector

- ▶ Available with either 250 or 400 watt ballast
- ▶ Anodized white aluminum with hammertone 'M' insert
- ▶ Perfect for interior plant scapes, small hobby gardens or aquatics
- ▶ Enclosed integral ballast has a 5 year warranty
- ▶ Coverage of approximately 16 sq. ft.
- ▶ Socket assembly and cord included

250 W MH ..... \$235.00  
400 W MH ..... \$260.00

## Air-Cooled Horizontal Reflector

- ▶ Anodized white aluminum
- ▶ Tempered glass shield and galvanized take-offs for 4" exhaust hose
- ▶ Socket assembly and 12' cord included
- ▶ Allows closer proximity to plants
- ▶ Coverage of 12 sq. ft. with a 400 watt lamp and 16 sq. ft. with 1000 watt lamp
- ▶ Extremely high light intensity without the heat
- ▶ All light is directed downward

.....\$175.00

## Botanical Touch Air-Cooled Reflector

- ▶ Anodized white aluminum with tempered glass shield and 3" muffin fan
- ▶ Functional and attractive
- ▶ High intensity coverage up to 16 sq. ft.
- ▶ Suitable for 250 watt or 400 watt lamp
- ▶ Allows closer proximity to plants
- ▶ Perfect for interior plant scapes, small hobby gardens or aquatics
- ▶ Socket assembly and 8' cord included
- ▶ Available separately or with the Botanical Touch garden

.....\$175.00

## ADJUSTA-WING REFLECTOR

- ▶ Adjust light intensity seasonly
- ▶ Adjust to exact desired size

Adjusta-Wings Mini.....\$ 79.99  
Adjusta-Wings Medium.....\$ 99.00  
Adjusta-Wings Large.....\$119.00

## Heat Shield

Heat shield allows closer proximity to plants  
More even light intensity

Heat Shield Small.....\$ 19.95  
Heat Shield Large.....\$ 36.95

## HydroSun Cool Shade

- ▶ Compact, efficient air cooled reflector
- ▶ 1000 watt position oriented mogul socket for universal or horizontal bulb
- ▶ Excellent greenhouse lumenair - minimally blocks natural sunlight

.....\$249.00

## HydroSun 7" Cool Shade

Grow year round with Homegrown's Cools Shade 7" Air Cooled Luminaire Optimizes maximum reflection for high intensity lighting

.....\$290.00
